PETERSFIELD SOUP EVENT

Wednesday 11 November 2026 • 6pm at Winton House, Petersfield

PHA Homes & Winton House are working together to run a SOUP event on 11 November 2026

We are inviting applications from individuals, informal groups, community groups, clubs and societies, non-profit organisations and charities.

You do not need to be a registered charity or formal organisation. The only requirement is that your project benefits Petersfield, the local area or local people.

What is SOUP?

A SOUP event invites local people/societies/organisations to 'pitch' to a group of local people to raise money for an idea that they think will make life better for the community. People pay for a light soup/bread suppper and those seekign funding make a short (5 minuite) pitch during supper to say something abou their project or idea. Everyone votes for their favourite idea/project and those with the most votes get funding.

For our event, we are inviting up to five applicants to give a short pitch on the night. Winning bids will share the 'door' money which people paid for their supper and PHA will provide up to £500 additional funding for each winning idea.

Your idea can be anything that will benefit local people. We will invite winners to tell us something about their success or learning after the funding has been used.

We want lots of people to get involved so if you have an idea – but feel uncertain about applying – please talk to us. We will help you with shaping your idea and your pitch.
